

## **SPIDER Webinar List**

### **Radiology Maintenance - \$99 Each**

- Rad I - Introduction to Diagnostic X-Ray Imaging Systems
- Rad II - Introduction to Other Diagnostic Imaging Modalities
- Rad III - Radiation Safety and Measurements
- Rad IV - Radiation Physics
- Rad V - Overview of Overtable Radiographic Systems
- Rad VI - Overview of Undertable Fluoroscopic Systems
- Rad VII - Factors Affecting Image Quality I
- Rad VIII - Factors Affecting Image Quality II
- Rad IX - X-Rays Production and Control
- Rad X - Formation of the Aerial Image
- Rad XI - Image Receptors
- Rad XII - Circle of Quality Assurance

### **Ultrasound Maintenance - \$99 Each**

- US I - Ultrasound Fundamentals Overview
- US II - Ultrasound Image Quality
- US III - Ultrasound Quality Assurance Testing

### **Nuclear Medicine Maintenance**

- NUC I - Introduction to Nuclear Medicine Systems

### **PACS - \$99 Each**

- PCS I - Why PACS -FREE
- PCS II - PACS an Overview
- PCS III - CR Vs DR
- PCS I V - DICOM Fundamentals

### **Mammography - \$99 Each**

- MAM I - Principles of Mammography& the MQSA

### **Biomedical - \$99 Each**

- BMD I - Surgical Protocol for Support Personnel
- BMD II - Anatomy and Physiology I
- BMD III - Healthcare Safety and Compliance Review
- BMD IV - Biomedical Electronics I
- BMD V - Biomedical Electronics II
- BMD VI - Biomedical Electronics III
- BMD VII - Biomedical Electronics IV

### **Management - \$199 Each**

- MGT I - Service Contract Negotiations
- MGT II - Medical Equipment Regulations Compliance

### **Personal Development - \$79 Each**

- PD I - Customer Relations Skills
- PD II - Effective Negotiations
- PD III - Effective Decision Making
